

# **B.S. MASS COMMUNICATIONS**

---

The Bachelor of Science degree in Mass Communications offers the opportunity for students to pursue a concentration in Journalism or Sports Journalism. The coursework within these two programs is designed to develop knowledge and skills that bring creativity, craft, content and technology together. The goal is to prepare graduates for work in the professional communications field.

## **Requirements for Majors**

All Mass Communications majors must earn an overall 2.0 cumulative grade-point average as well as a 2.0 in their MC prefix courses. In addition, transfer students must complete a minimum of 15 credit hours in MC prefix courses at Husson.
