

MINORS

Hospitality and Tourism Management Minor

Adding a minor in Hospitality and Tourism Management to majors such as Accounting, Business Administration, Criminal Justice and Sport Management will greatly enhance the student's customer service skill set as well as improve their ability to perform related functions of the Hospitality and Tourism industry in their chosen major field of study.

HA 101	Intro to Hospitality Mgmt	3
HA 201	Food & Beverage Control Systems	3
HA 202	Facilities & Guest Services	3
HA 301	Supervision in Hospitality Management	3
HA 302	Hotel Operations	3
HA 402	Leadership in Hospitality Management	3
Total Hours		18

All students seeking a minor within the School of Hospitality, Sport and Tourism Management must achieve a minimum grade point average of 2.0 in the courses relied upon for earning the designation.

Tourism and Recreation Minor

The minor in Tourism and Recreation Management prepares students to pursue career options in the tourism and outdoor recreation field.

The minor provides basic knowledge of recreation, tourism and park services, and an understanding of the benefits of leisure and recreation in our society. To complete the minor, students must take 18 hours of required courses which will provide undergraduates with the opportunity to explore recreation, parks, and leisure services.

* Fall Semester Course

** Spring Semester Course

Coaching Minor

The minor in coaching prepares students interested in pursuing a career in coaching. The minor includes study of the physical, social, medical, and strategies of coaching individual and team sports and the application of these principles in an actual coaching setting through a practicum experience. The minor fulfills the state of Maine coaching endorsement requirements.

Students who complete a coaching minor will be able to:

1.) apply behaviorism, sociology and psychology to coaching setting;

2.) plan and implement developmentally-appropriate practice plans for athletes;

3.) implement appropriate pedagogical techniques in coaching settings;

4.) apply ethical behavior in coaching settings;

5.) develop a personal philosophy of sport;

6.) apply proper emergency care when necessary.
