

B.S. SPORT MANAGEMENT

In achieving the learning outcomes for the B.S. Sport Management, students will:

- Integrate the core areas of business to inform decision making
- Apply legal and ethical principles in business to organizational decision making
- Apply business-related quantitative and qualitative methods and tools to formulate management decision alternatives
- Demonstrate leadership skills
- Demonstrate professional business communication
- Demonstrate the ability to work with diverse colleagues in team situations
- Demonstrate general and functional knowledge of Sport Management principles including: Behavioral Dimensions in Sport; Management and Organizational Skills in Sport; Governance and Legal Aspects in Sport; and Sustainability.

In this program of study, students must earn a minimum of 120 credit hours, including required General Business and Sport Management coursework in order to prepare for careers in this field. The continued success of our graduates is based upon a solid foundation of business and liberal arts knowledge combined with essential experiential learning activities.
