

THE COLLEGE OF HEALTH & EDUCATION

The College of Health and Education (COHE) supports the mission and vision of the university by offering fully accredited undergraduate and graduate professional programs that are grounded in the sciences and humanities. We offer degrees in Occupational and Physical Therapy, Nursing, Counseling, and Education. Students interested in careers in Nursing, Counseling, Human Relations, or Education can choose from several tracks at the undergraduate or graduate levels. Occupational and Physical Therapy students may qualify for early entry and earn a bachelors degrees on the way to earning their Master of Science in Occupational Therapy or their Doctor of Physical Therapy. Both programs also have direct entry into the professional degree as an option for those with a bachelors degree and who meet admissions criteria.

COHE Mission

The Husson University College of Health and Education inspires and prepares students for contemporary, evidence-based, and ethical practice in health, counseling, and education professions.

We foster student success by promoting:

- Professional identity
- Self-directed learning
- Critical reflection and scholarship
- Practice focused on the individuals, families, groups and populations we serve
- Integration of state-of-the-art technology
- Cultural competence, social justice, and advocacy for our clients and our professions.

COHE Vision

The College of Health and Education aspires to shape our students into compassionate and effective practitioners, leaders, and scholars who value inter-professional collaboration, lifelong learning, and global engagement.

Accreditation

Our programs are fully accredited or approved by one of the following agencies:

The Commission on Collegiate Nursing Education (CCNE)
