

M.S. CLINICAL MENTAL HEALTH COUNSELING

CO 900	Clinical Counseling Internship IX	1
Elective		3
Total Hours		63

This CACREP accredited program consists of a minimum of 63 hours of counseling courses that provide students with a thorough background in the areas of individual and group counseling theories and skills; clinical practice; ethical, professional and legal issues in counseling; social and cultural factors in counseling; human development across the lifespan; career development theories and interventions; assessment in counseling, and the application of research. Graduates of CACREP accredited programs are prepared for careers in mental health, human services, education, private practice, government, military, business, and industry. Graduates are eligible to apply for credentials (e.g., licensure, certification) in their specialty area.

Graduation requirements: Students enrolled in the program must:

Have been admitted to degree candidacy.

- Have passed the comprehensive examination.
- Have completed the required course of study with a cumulative grade point average of 3.00 or better and satisfactory disposition reviews.

Comprehensive Examination

Students enrolled in the program must pass a comprehensive examination prior to entering internship.
