College of Business Transfer Credit Policy

Normally, six credits of appropriate graduate-level course work, earned within five years of entry into the Husson program, may be transferred from an accredited institution, if the grades earned in such course work are "B" or better. In special circumstances, an individual who has begun a graduate management program at another accredited institution may transfer up to nine credits from the program if those credits have been earned within five years of the date of entry into the Husson program. All transfer credits will be reviewed by the appropriate program director.
